DIV MEHTA

Sales & Marketing - Leadership & Communication - Cross-Domain Builder

Bengaluru, Karnataka | +91 63621 77248 | itsthedivmehta6707@gmail.com | linkedin.com/in/div-mehta-matternet

PROFILE

BBA (Hons.) student at TAPMI Bengaluru with a 9.0 GPA and a 100% merit scholarship, bringing hands-on experience across sales, marketing, design thinking and entrepreneurship. Closed a ₹1,00,000 sales deal in the first week of a sales internship and converted it into a recurring account, alongside leading stakeholder research, product prototyping and cross-functional projects. Combines commercial orientation with strong communication, creative problem-solving and a builder mindset, with particular interest in sales, business development and marketing.

EXPERIENCE

Design Thinking Intern - Beyond Carlton (Citizen-Led Fire Safety NGO) *May – Jul 2026*

- Designed and led a 8-week Design Thinking project end-to-end - empathise, define, ideate, prototype, test.
- Identified the core problem through 25+ resident interviews and cross-functional stakeholder conversations with government fire officials and NGO leadership.
- Designed and delivered 5 prototypes across three directions: gamified fire-safety learning tools tested with schoolchildren, an assessment toolkit for RWAs and building committees, and FireWatchSafety, a hazard-reporting platform now live and piloting in Bengaluru.
- Reframed the donor pitch and website from a charity ask to an outcomes-led case, addressing a donor "visibility of impact" gap surfaced in stakeholder research - all appreciated and adopted by the NGO.

Stall Lead - Pulp Culture EcoFest 2026 - TAPMI SRME Business Project *Mar 2026*

Designed and operated a zero-waste, no-plastic stall with Eat Raja for a 1-day university EcoFest, closing approx. Rs.35,000+ in sales with a net carbon-negative footprint; coordinated a 10-person team across sourcing, accounts, and logistics.

Member - Marketing Club, TAPMI Bengaluru *Aug 2025 – May 2026*

- Volunteered at the club's Open House stall, built upon college contact database, and drove outreach to bring external teams into the club's flagship marketing competition.

Digital Marketing & Sales Intern - Reva Clothing (local apparel boutique) *Apr – Jun 2022*

- Designed and launched the brand's first website and managed catalogue updates and social media handles.
- Ran outbound sales via cold calling and platforms like IndiaMart, additionally negotiated and closed a Rs.1,00,000 deal in my first week; converted it into a recurring account and owned the sales pipeline end-to-end from outreach to repeat business.

Freelance Graphic Designer - Fiverr *Dec 2020 – Jul 2023*

- Designed print graphics, YouTube thumbnails, and brand identity assets for clients across apparel and content creation; also run a personal YouTube channel (80,000+ views) as an early creative outlet.

PROJECTS

Founder (in development) - GiveWise - student project *Jul 2026 – Present*

- Building a donation discovery and routing platform inspired by a gap identified through experience at Beyond Carlton: donors often default to highly visible NGOs, leaving credible local and underfunded organisations overlooked; targeting an initial network of 100+ NGOs across Bengaluru

Founder - MatterNet *Dec 2025 – Present*

- Building an AI-powered global repository to address a sustainable-material sourcing gap, connecting innovators (students, startups and labs) with brands seeking solutions; **go-to-market pitch developed with an initial target of 300+ sustainable material solutions.**

EDUCATION

BBA (Hons.) - T. A. Pai Management Institute (TAPMI), Bengaluru *Jul 2025 – Aug 2028*
